Teacher Request Form Deadline: November 1, 2021

The Peabody Education Foundation's Community Resources Committee is currently planning the annual *Guest Reader Program* for the 2021-2022 school year. This program, designed for Kindergarten through Grade 5 students, is intended to bring adults from the business community into your classroom for approximately 20-30 minutes per week to read books to the students. The program will run from January 10, 2022 until May 20, 2022.

This year we are offering readers both an *in-person* or a *virtual* option because of the uncertainties of the Covid situation and the comfort level of our readers. (The virtual program is what we did last year with readers interacting with the students via *Google Meet* or *Zoom*.)

If you are interested in having your classroom participate in the *Guest Reader Program*, please complete the form below. Once you have been matched, if your reader has chosen the virtual option, we ask that you provide him/her with instructions for using *Google Meet*, *Zoom* or whatever remote program you are comfortable using.

To help us keep complete records of community participation and so that we may let our readers know of anything which could impact the program, **we ask that, if you make arrangements directly with a specific person, you still complete and return this form** indicating that the two of you are in agreement.
